

InHouse Design

InHouse is a production company servicing clients to deliver premium events.

The InHouse foundation was built from DJUSA, a production company deeply rooted in the entertainment industry since 2003. The company has produced thousands of events across all industries. Inspired by the passion for music, fashion, sports, tech and art, InHouse has become a cultural connector helping clients execute high level events. InHouse is valued by the culture and continues to grow. We are not just a production company, we become your support team at every level.

Partner with InHouse to strengthen any social or corporate event.
